Career orientation: Skills for health care transformation

INTERACTIVE WORKSHOP Part 2

TIME: MARCH 11th at 10:00 - 12:00

VENUE: Online

FACILITATOR: ANNA BIRGERSDOTTER, PhD

Health care is transforming. As we are facing new challenges, boosting your soft skills capabilities can help you to take an active leadership role in the coming transformation.

This hands-on workshop gives you the opportunity to work with practical applications to meet the new demands:

- Actively build up, manage and engage your soft skills portfolio.
- Learn tools to deal with complexity and adapting to the “new normal” in health care.
- Identify opportunities in the emerging future via cocreation and communication.
